

# A Night at the Movies

**Welcome:** As everyone filtered in, we had them sign-up for door prizes. This month we had large boxes of candy that you would find at the movie theatre. As we waited for everyone to come in, we served popcorn. We found really fun popcorn bags at the dollar store.

**Activity:** We announced the movies that would be offered. They were: "Karate Kid" (Self Defense), "Hairspray" (Beauty Basics) and "Picture Perfect" (photography). We then broke into our mini classes.

After the first mini class we broke to enjoy the concessions.

We served hot dogs, nachos, root beer, and more popcorn.

We then continued on to our last class. After, we all came to the gym where we served Root beer floats as well as cotton candy. I actually own a cotton candy machine which made this easier 😊

**Decorations** We made simple centerpieces ( see above ) as well as hung movie posters throughout the church building. We taped white lights to the floor directing everyone from the gym to the correct classroom. We made a big sign for outside that listed the movies offered. My favorite part was the concessions stand. We placed one long table upright then placed 3 more tables on top that were still folded. We then taped them together so they wouldn't fall over. This gave the appearance of a really tall counter just like at the movie theatre.

This was a great activity that can be repeated every year just by changing the movies. (mini classes offered)

# A Night at the Movies

**Producer:** (Ward Name here)

**Cast:** (Whoever is invited: Relief Society Sisters, Young women etc.)

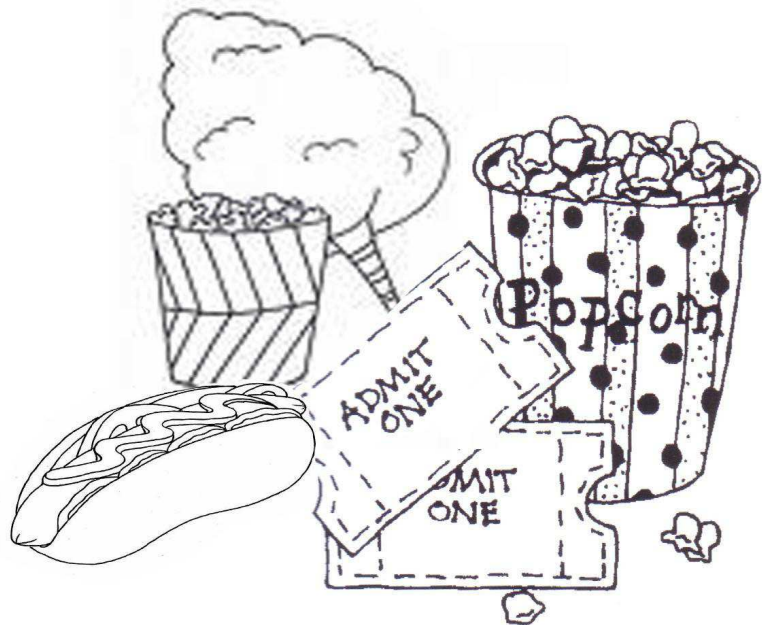

**Date**

**Time**

6:30 p.m.

**Location**

Movie Theatre  
(found in gym)
