"When He Comes Again", pg. 82 (Childrens)

"Come, Ye Children of the Lord", pg. 58 (Hymn)

*Scripture:* Deuteronomy 32:7-9, D&C 101:23-31

*Article of Faith Memorization Sheet:* Color graphics with markers, colored pencils, chalks, etc. Use this sheet to help memorize Article of Faith #10. It will be especially helpful for small children.

*Game - "All Around The World": Teach family members that no matter where you go in the world, the Gospel is constant. It never changes.*

*Game Setup -* Color game board sheets (two) as desired. Place the game board sheets side by side so that the "All Around The World" game logo is on the left hand side. Tape the two sheets together on the back of the sheets and laminate the game board. Color, laminate and cut out each "Airplane" game piece, being sure to color each plane a different color. There are three sheets of game cards. Laminate if desired and cut out each card. You will need a "die" for the game.

*Object -* To be the first team to collect ten game cards. To make the game shorter, decrease the amount to five game cards. To make the game longer, increase the amount to fifteen game cards.

*Play -* Divide the family in two or three teams. Each team chooses an "Airplane" game piece and places it on one of the eight "Country" game spaces (Egypt, Japan, Africa, Holland, England, France, Mexico or America). Each team must choose a "Country" game space that is not already occupied to begin the game. However, once the game has started, a space can be occupied by more than one team at a time. Divide the cards into three piles (Trivia, Draw and Miscellaneous) placing the piles face down on the playing surface. Choose which team will go first. That team begins by rolling the "die." They move their game piece clockwise around the game board the number of spaces indicated on the "die." The team will either land on a "Trivia", "Draw", "Miscellaneous", "Article of Faith" or "Country" space. If a team lands on a "Trivia", "Draw" or "Miscellaneous" space they draw the corresponding card from the draw pile. An opposing team reads the card. If a "Draw" card is drawn, the team must choose a team member that will draw, and the card is then shown to that team member. Each team is given one minute per card. If the team successfully answers or completes the card, they win the card and their turn continues. If a team lands on the "Recite or read an Article of Faith" space, that team must choose an Article of Faith to recite or read. Try and work on the Articles that you are currently trying to memorize. Once the team recites or reads the Article, their turn ends and rotates to the next team. If a team lands on a "Country" space, they can choose which of the three categories (Trivia, Draw or Miscellaneous) they want to answer a question for. If a team does not answer the card correctly in the one minute time allotment, their turn ends and rotates to the next team. The card is placed at the bottom of it's corresponding pile. The game ends once a team has collected the necessary amount of game cards.

Each month, a new "Article of Faith" packet will be released. You can then combine your game cards to make a larger game.

# Article of Faith #10

The Tenth Article of Faith of The Church of Jesus Christ of Latter-day Saints states:

***"We believe in the literal gathering of Israel and in the restoration of the Ten Tribes; that Zion (the New Jerusalem) will be built upon the American continent; that Christ will reign personally upon the earth; and, that the earth will be renewed and receive its paradisiacal glory."***

The Tenth Article of Faith contains a tremendous amount of information, so for ease in understanding it better, we will break it into parts.

**#1.** What is the literal gathering of Israel? First we must understand just who or what "Israel" is.

When Jacob was a prophet upon the earth in the days of the Bible, he was so righteous and obedient that God changed his name to "Israel." When Jacob's twelve sons were born, their descendants were known as "The twelve tribes of Israel."

Hundreds of thousands of people have been born through the lineage of these twelve tribes. It is also interesting to note that in the Bible in the book of Deuteronomy 32:7-9, it tells us that this host of people were also a separate and distinct group of spirits in the pre-existence. Isn't that interesting? If these spirits are valiant in their mortal lives, they are the ones who will continue on in the house of Israel in eternity. They are the ones who will become kings, queens, priests and priestesses.

What if we are not born through the lineage of the twelve tribes? All people who accept the gospel of The Church of Jesus Christ of Latter-day Saints, the posterity of the ten tribes of Israel who were scattered, will return to their homelands. Two tribes, the tribes of Judah and Joseph, were not scattered. Joseph Smith stated: "As general as was the scattering of Israel so must the gathering be. If the dispersion was over all the earth, and among all nations, so the gathering must be out of all nations, and from all parts of the earth." (Articles of Faith, pp. 328-344)

**#2.** "That Zion (the New Jerusalem) will be built upon the American continent." "Zion" is the name which the Lord gives to His people. The building of "New Jerusalem" will be directed by The Church of Jesus Christ of Latter-day Saints and will take place in Jackson County, Missouri in America. The Lord will tell His prophet when it is time. It will consist of a city built by the Saints and also great cities that have been taken from the earth.

**#3.** "Christ will reign personally upon the earth." When all of the signs of the times of the last days are fulfilled, Christ will return in great glory to the earth where He will reign personally. It will be a magnificent time when the Lord will govern His righteous people.

**#4.** "The earth will be renewed and receive its paradisiacal glory." Doctrine and Covenants 101:23-31 tells us that when the Savior comes again, the earth will be burned in order to destroy all corrupt things. In this way, the earth will become new and pure again. Then it will be given its "paradisiacal glory."

It is important that we know how to pronounce this large word. Many people pronounce this word as: Pear-uh-dice-uh-cul. That is incorrect. Here is the correct pronunciation:

**Pear-uh-dis-eye-uh-cul**

Can you say that all together?

What is Paradisiacal glory? It is the state of the earth after Christ's second coming. It means "new Heaven and new earth." It is the millennial period that will take place after Christ comes again.

There, we have learned the great meanings of the Tenth Article of Faith. Let's review what we have learned. **#1** We believe that all of the descendants of the house of Israel will be gathered to their homelands and to the gospel. **#2** We believe that "New Jerusalem" will be built in Jackson County, Missouri at the direction of the prophet of the Church. **#3** We believe that Christ will come again and will reign in person upon the earth. **#4** We believe that the earth will be cleansed by fire and made new again. **#5** We believe that the earth will receive its paradisiacal or millennial glory.

## DISCUSSION

- Who are the twelve tribes and how many of them were lost?
- Where will they return to?
- When will Christ reign personally upon the earth?
- What will cause the earth to be renewed?
- What is the earth's paradisiacal glory?

## Children's Version

The Tenth Article of Faith is a long one! It says:

***"We believe in the literal gathering of Israel and in the restoration of the Ten Tribes; that Zion (the New Jerusalem) will be built upon the American continent; that Christ will reign personally upon the earth; and, that the earth will be renewed and receive its paradisiacal glory."***

Wow, that is a lot to remember. Let's see if we can help you to understand it.

**#1.** "We believe in the literal gathering of Israel." When the prophet Jacob was upon the earth, he had twelve sons. Heavenly Father changed Jacob's name to "Israel" so the twelve sons were then called the "sons of Israel" or the "tribes of Israel."

All of the relatives of ten of those tribes were moved from where they first lived and were "scattered" to different places. When we are baptized into The Church of Jesus Christ of Latter-day Saints, we become a relative of "Israel" also.

**#2.** "That Zion" or what we call "New Jerusalem", "will be built upon the American continent." We as a Church will one day build a beautiful city in Jackson County, Missouri. The prophet will direct this building and it will be a wonderful place to live.

**#3.** We know that Jesus will come back to the earth when the time is right. He will then direct the people on the earth in person. Wouldn't it be wonderful to see Jesus?

**#4.** After Jesus comes back, the earth will receive a blessing. That is called its "Paradisiacal Glory." It will be clean and new. Can you say the word "Paradisiacal?"

Say it this way: **Pear-uh-dis-eye-uh-cal.**

Okay, let's review what we have just learned.

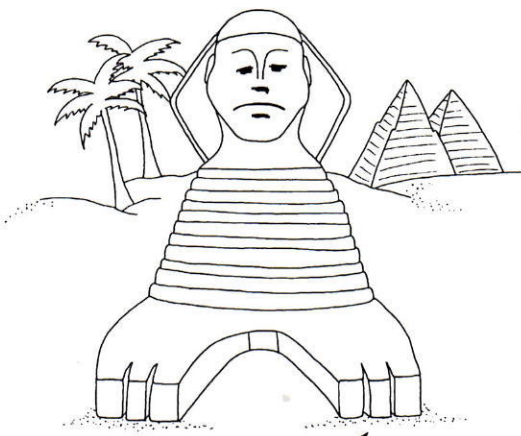

The relatives of Jacob or Israel will all go back to their homes that they came from. We will build a beautiful city in Jackson County, Missouri some day. Jesus will come back to the earth and reign over the people. Then the earth will be renewed and be given the blessing of its "Paradisiacal" glory.

That's a lot to remember, isn't it, but you can do it. Try to remember four words: Israel, Jerusalem, Jesus and Paradisiacal.

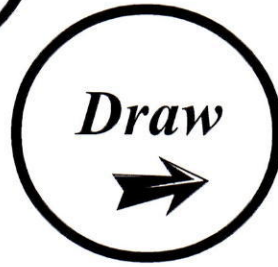

### DISCUSSION

- Who are the twelve tribes?
- Where will they come back to?
- Where will the new city of Jerusalem be built?
- Who is coming back to the earth to reign?
- What is the name of the glory that will be given to the earth?
