Purse, Book of Mormon Reading Chart

*"Wherefore, ye must press forward with a steadfastness in Christ, having a perfect brightness of hope, and a love of God and of all men. Wherefore, if ye shall press forward, **feasting upon the word of Christ**, and endure to the end, behold, thus saith the Father: Ye shall have eternal life."*

2 Nephi 31:20

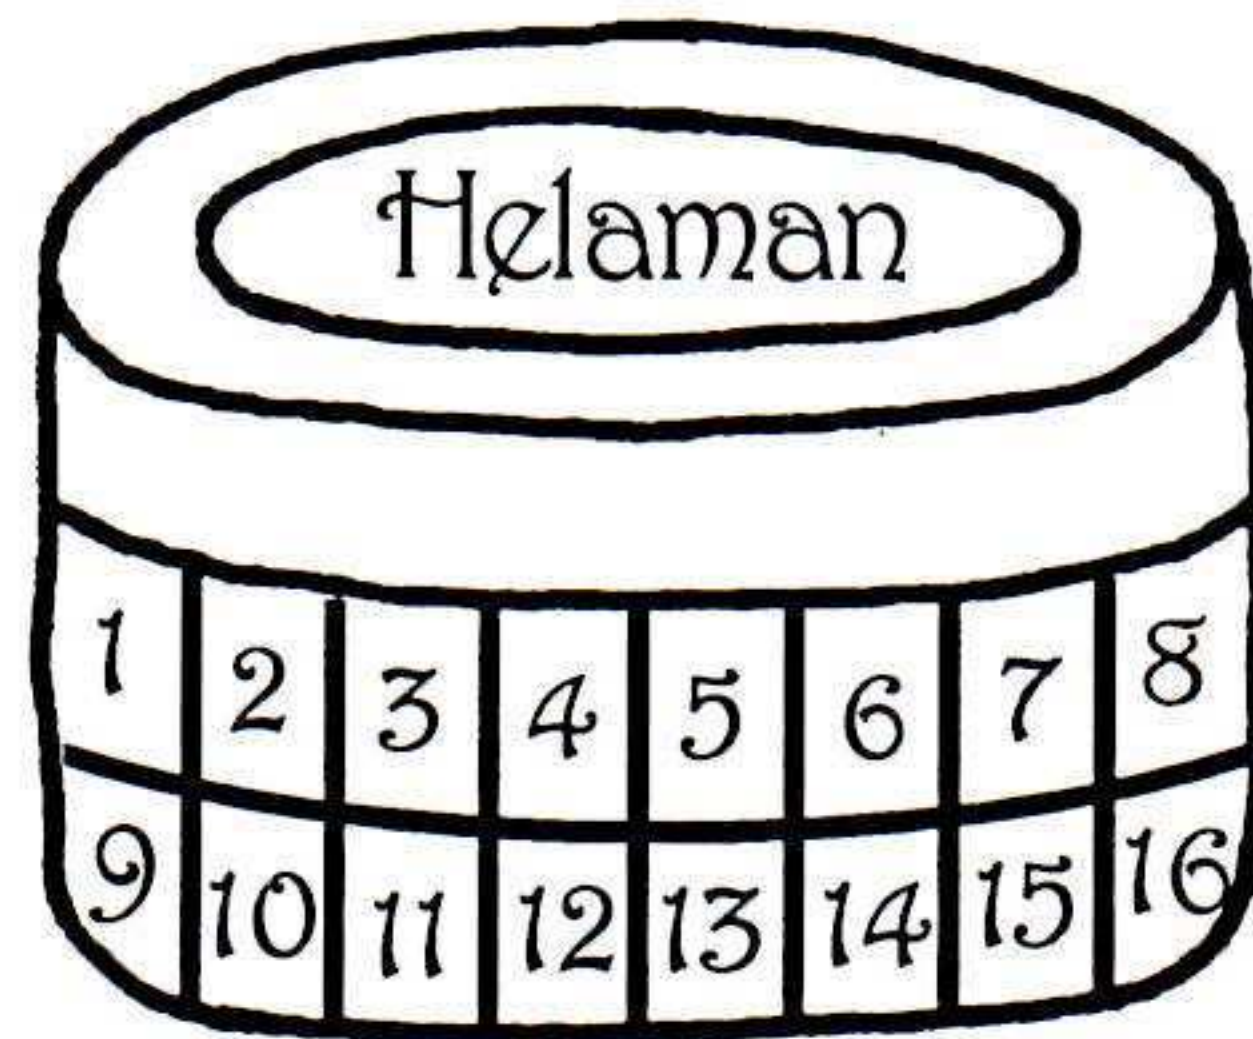

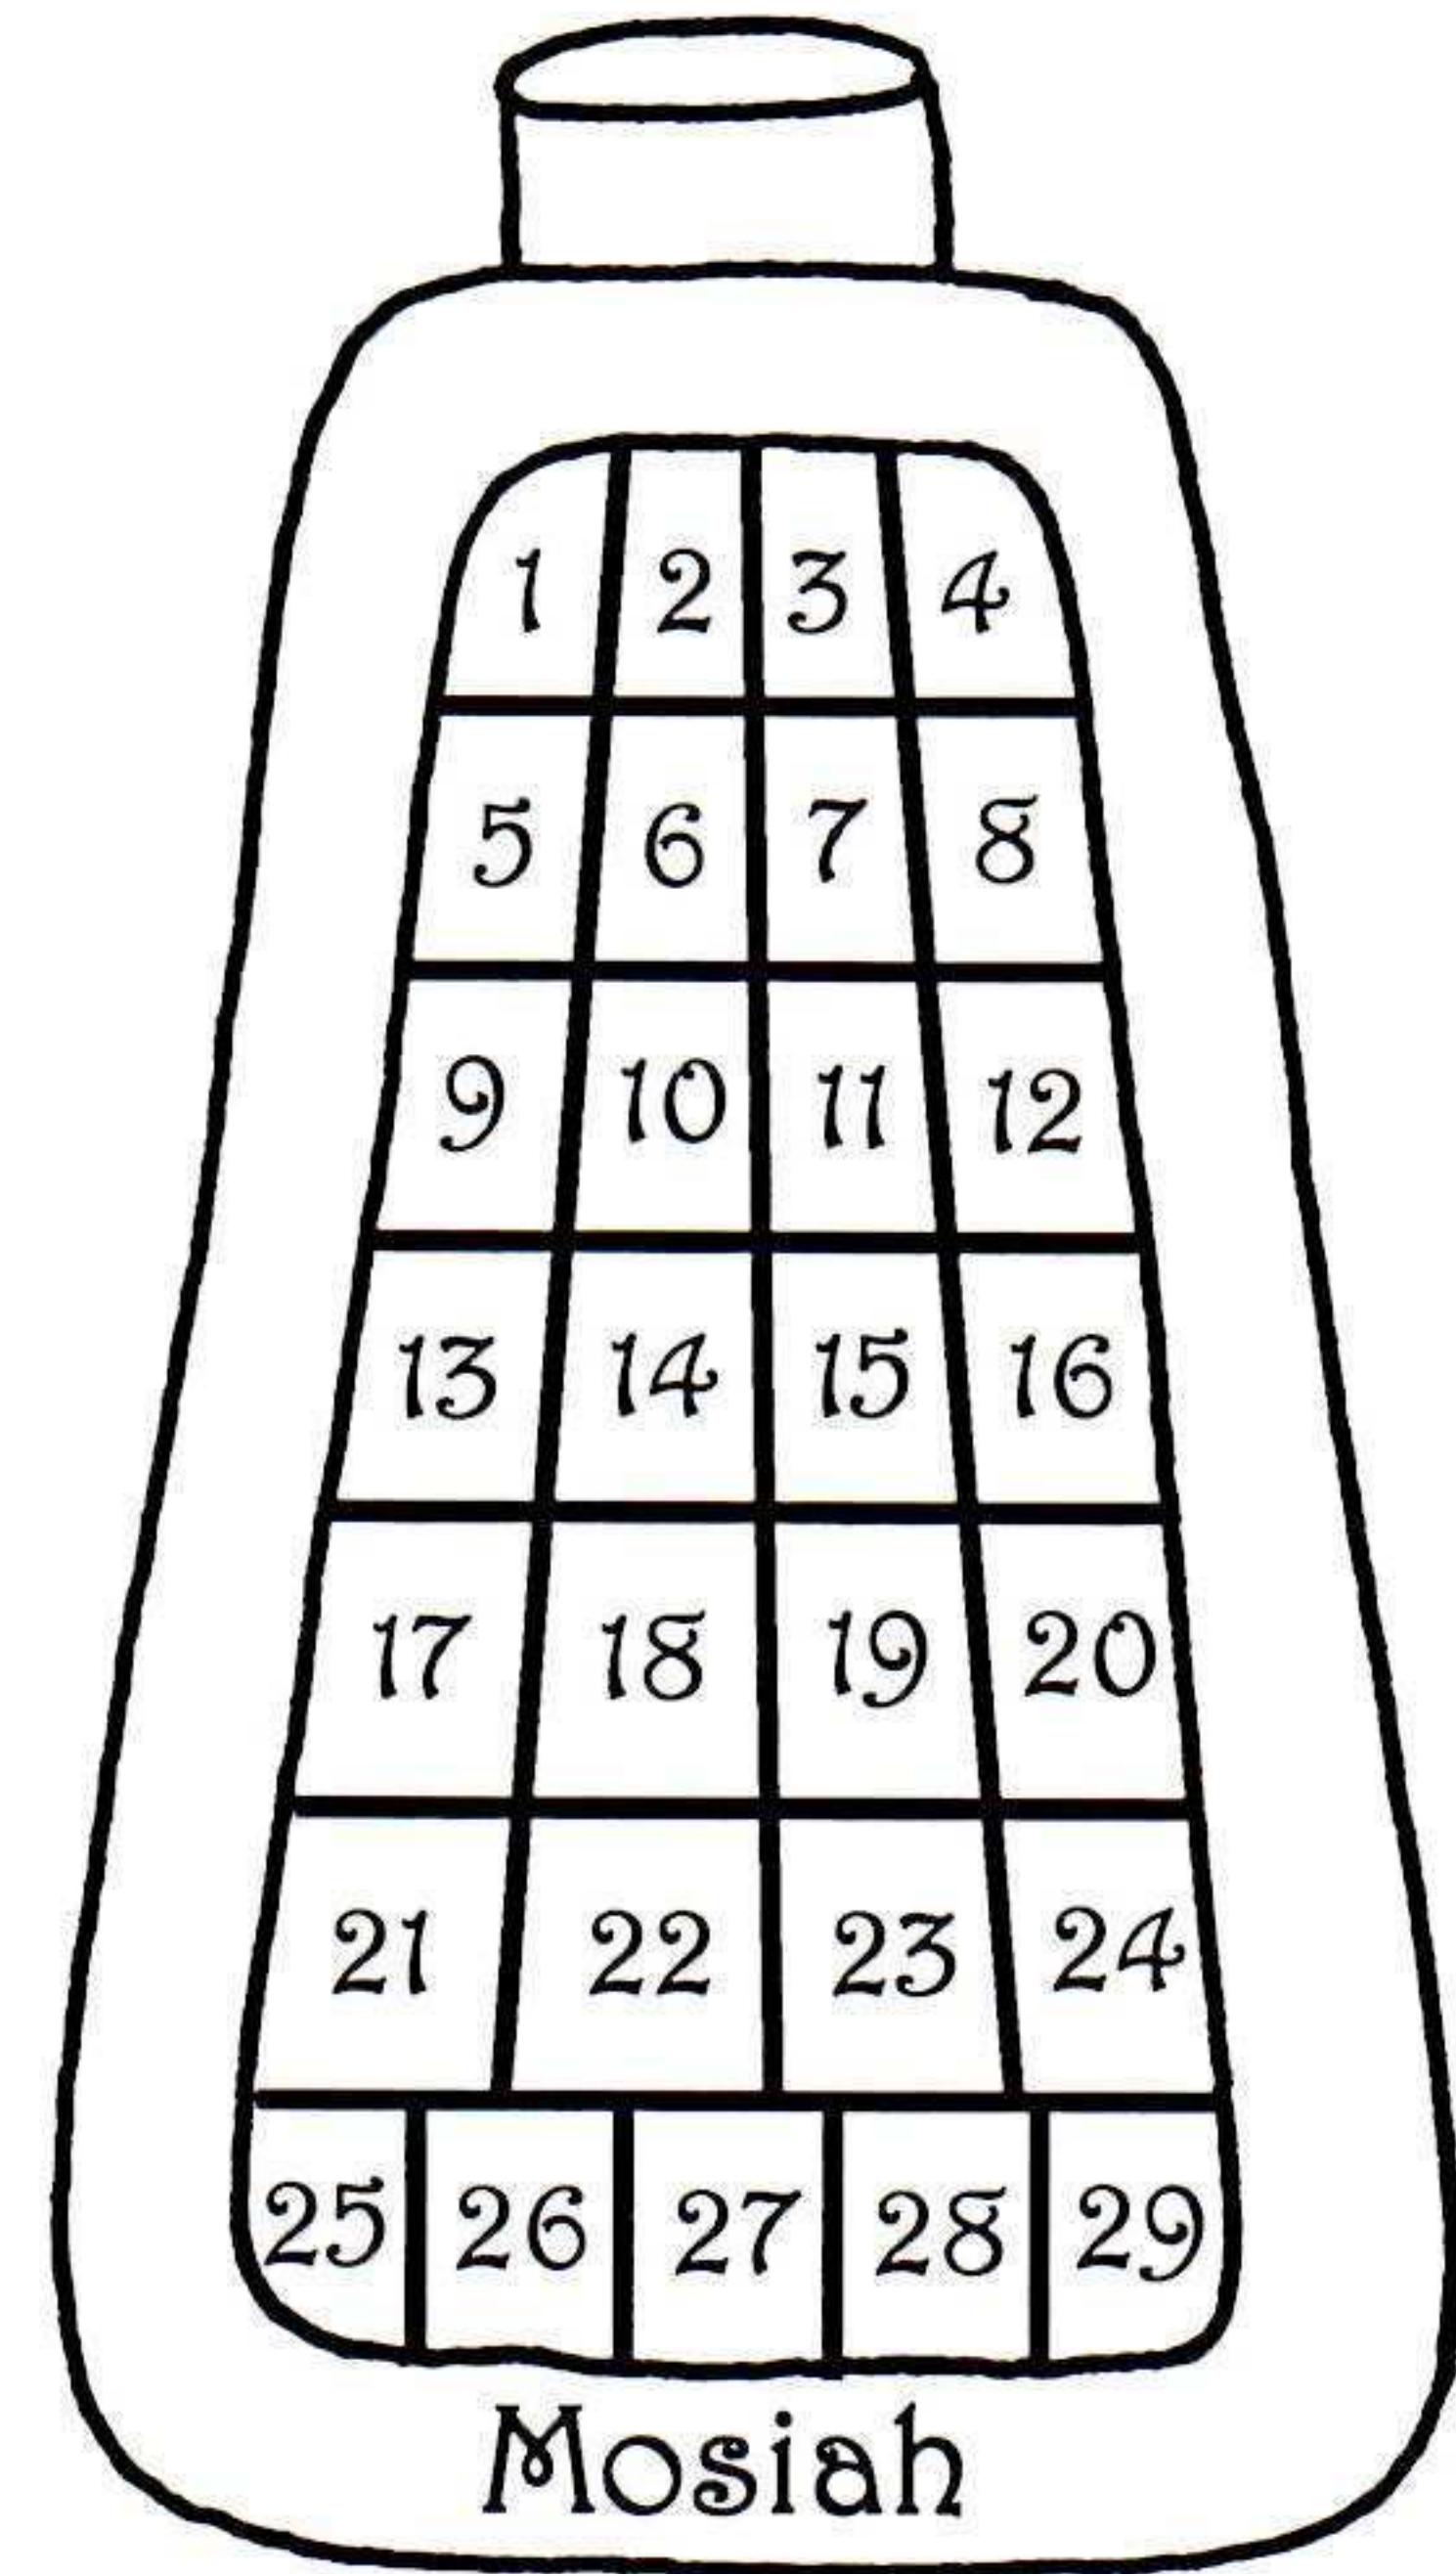

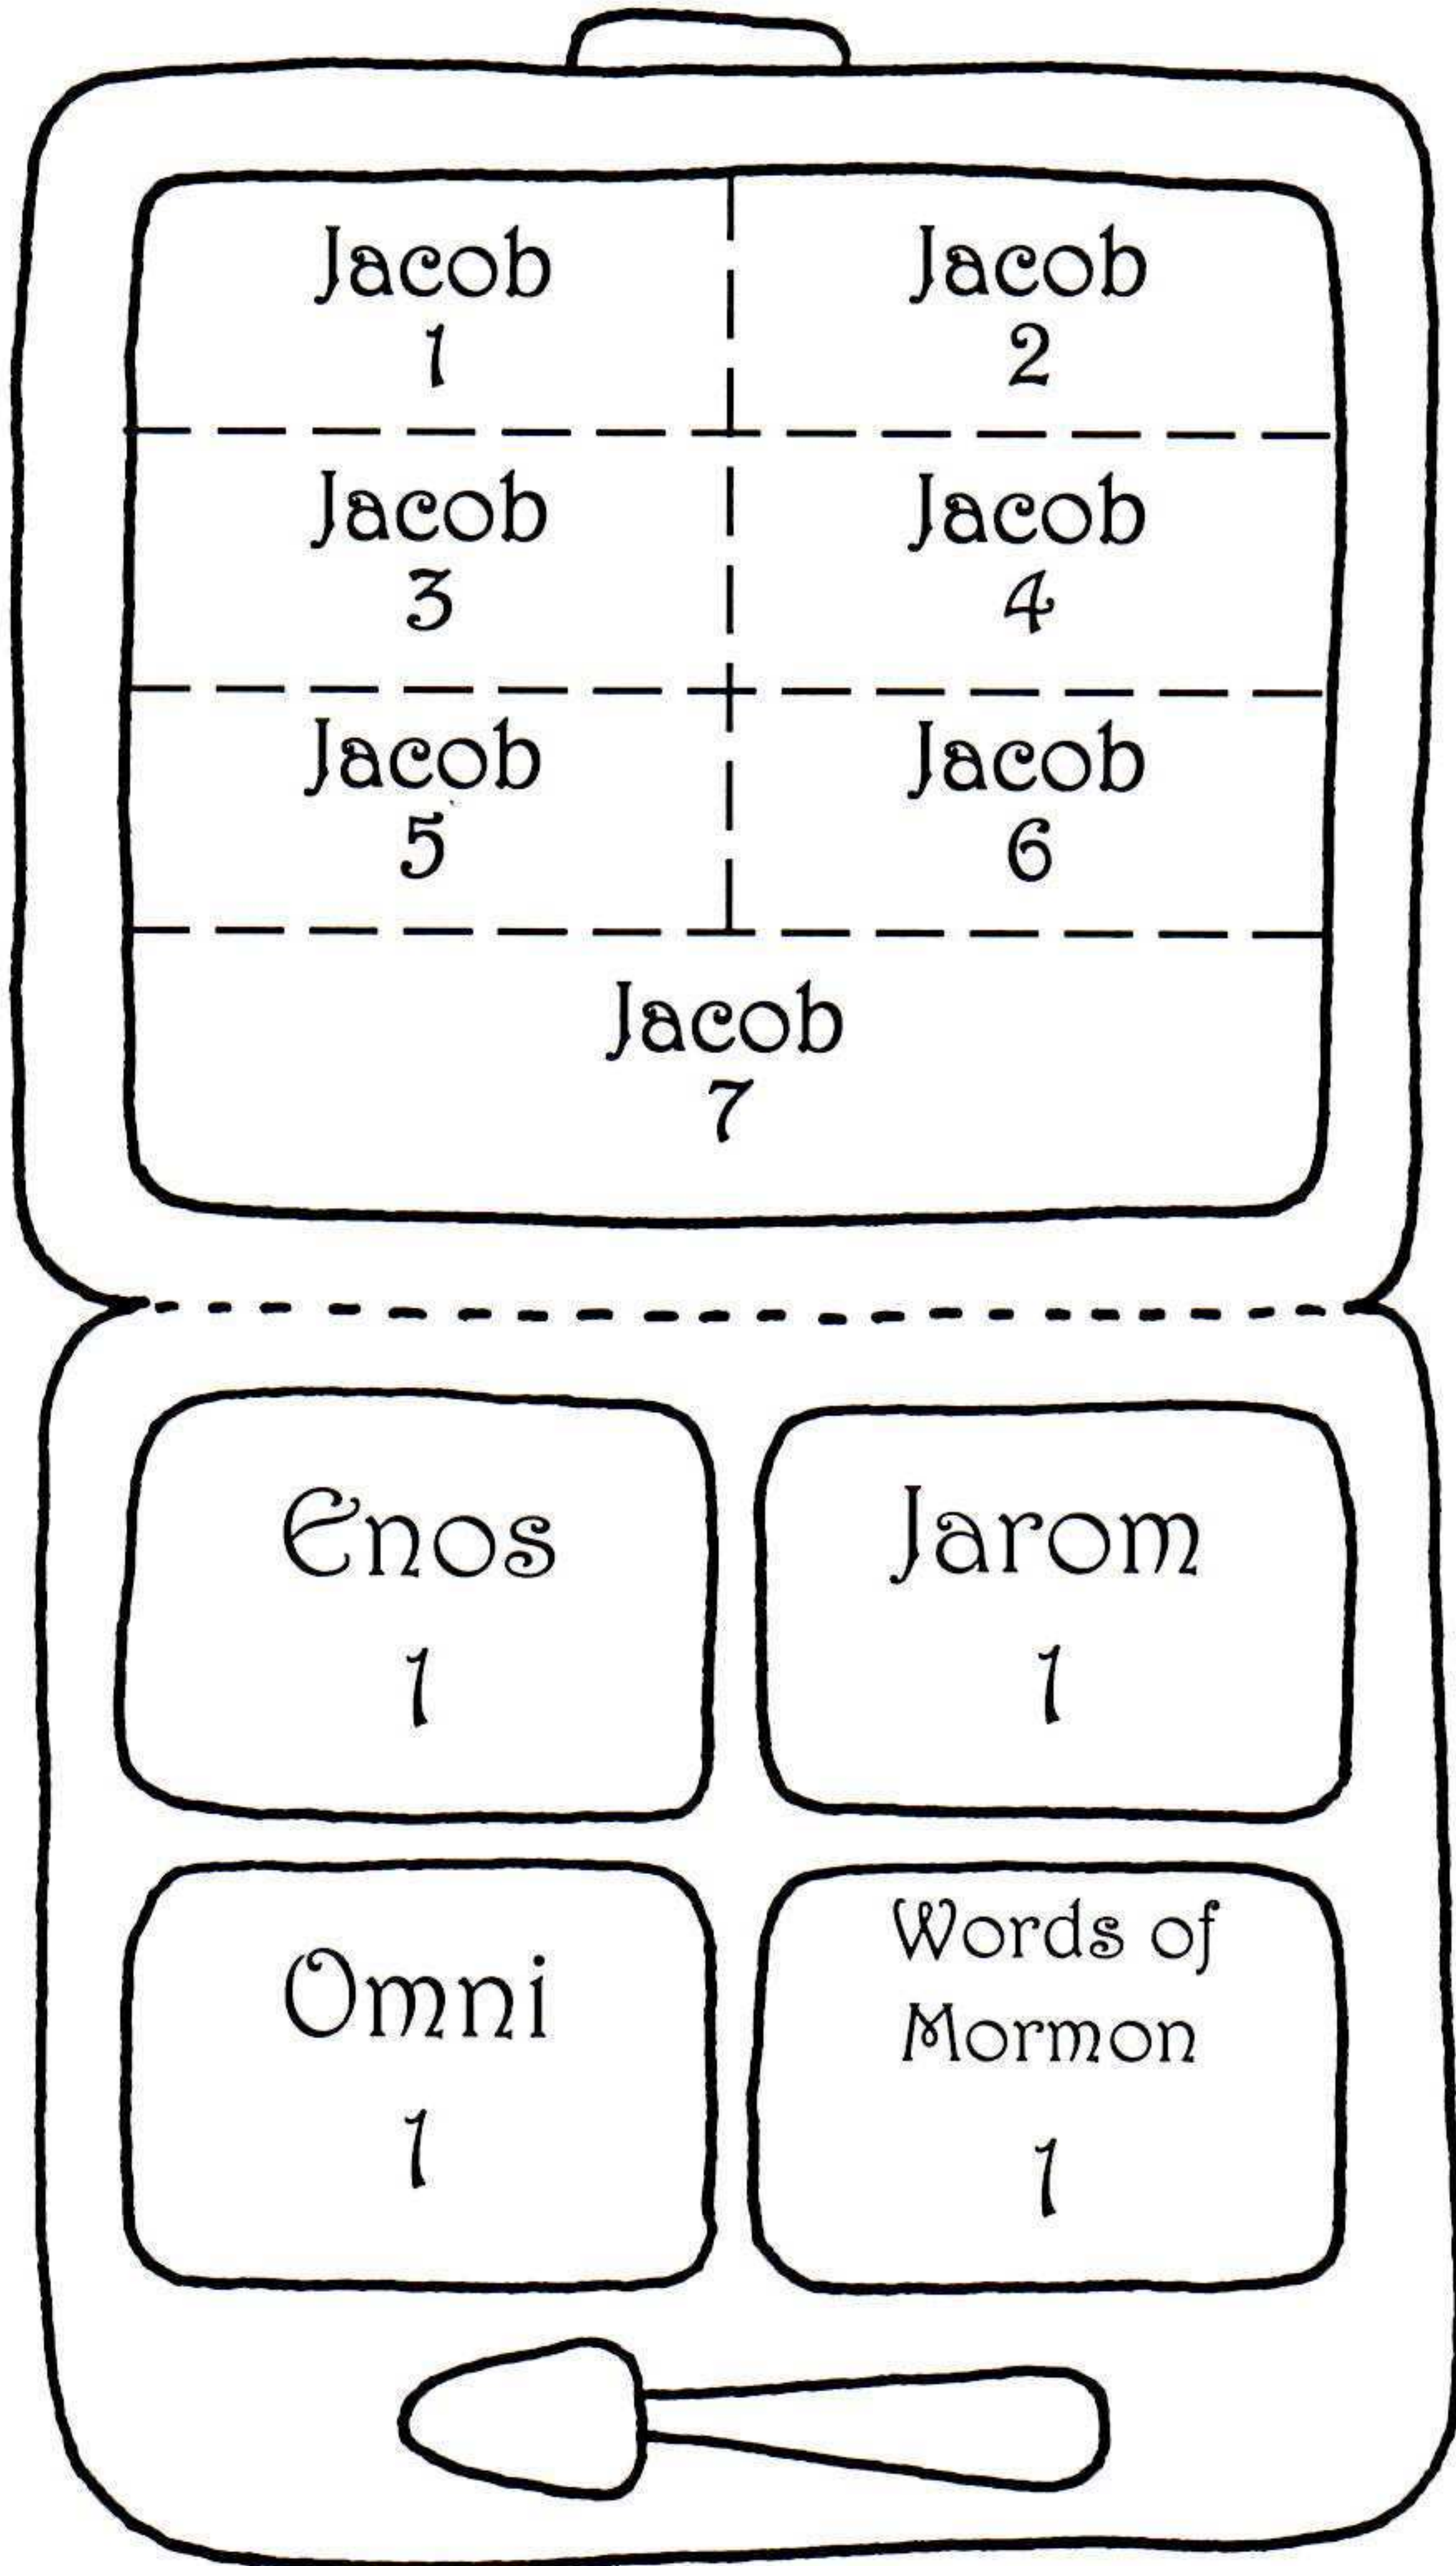

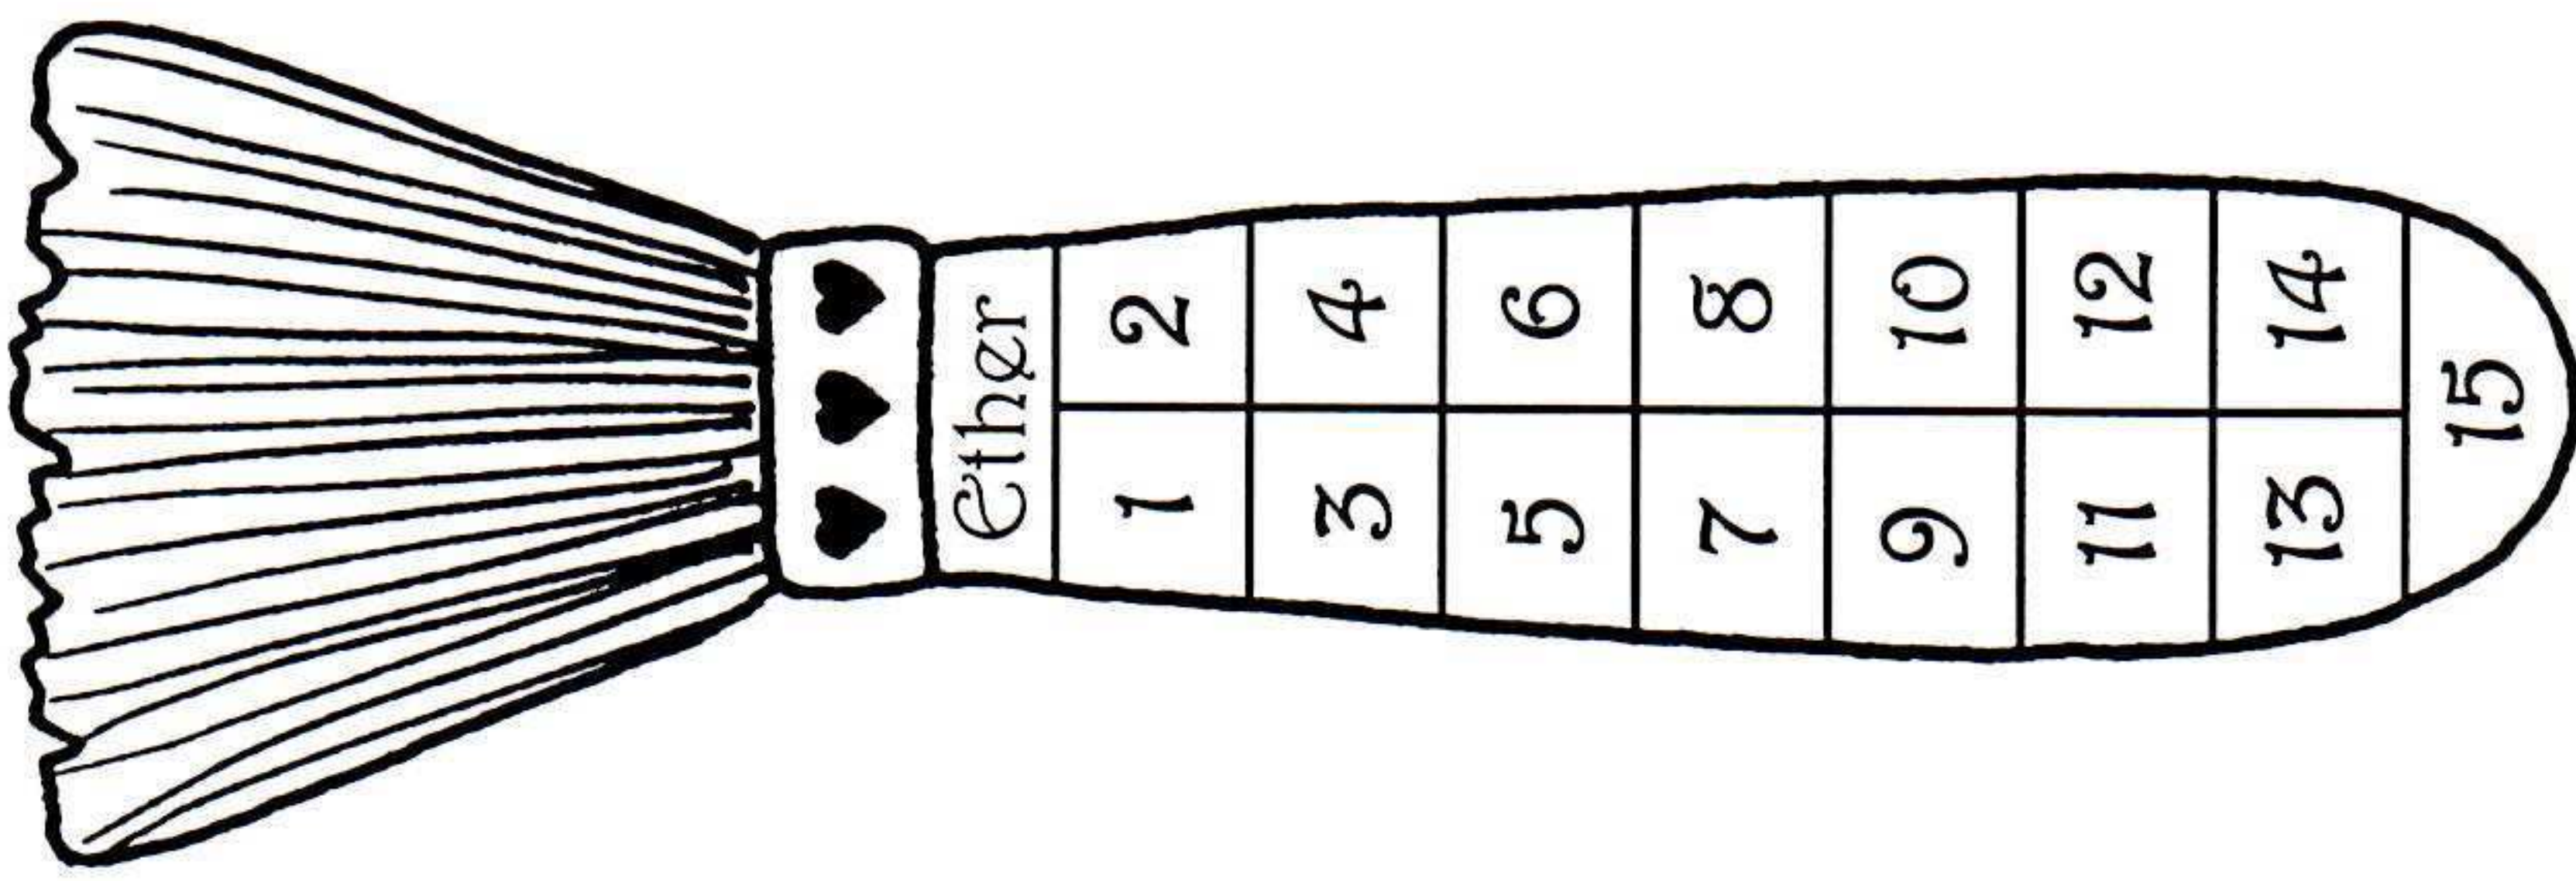

Purse Chart Directions:

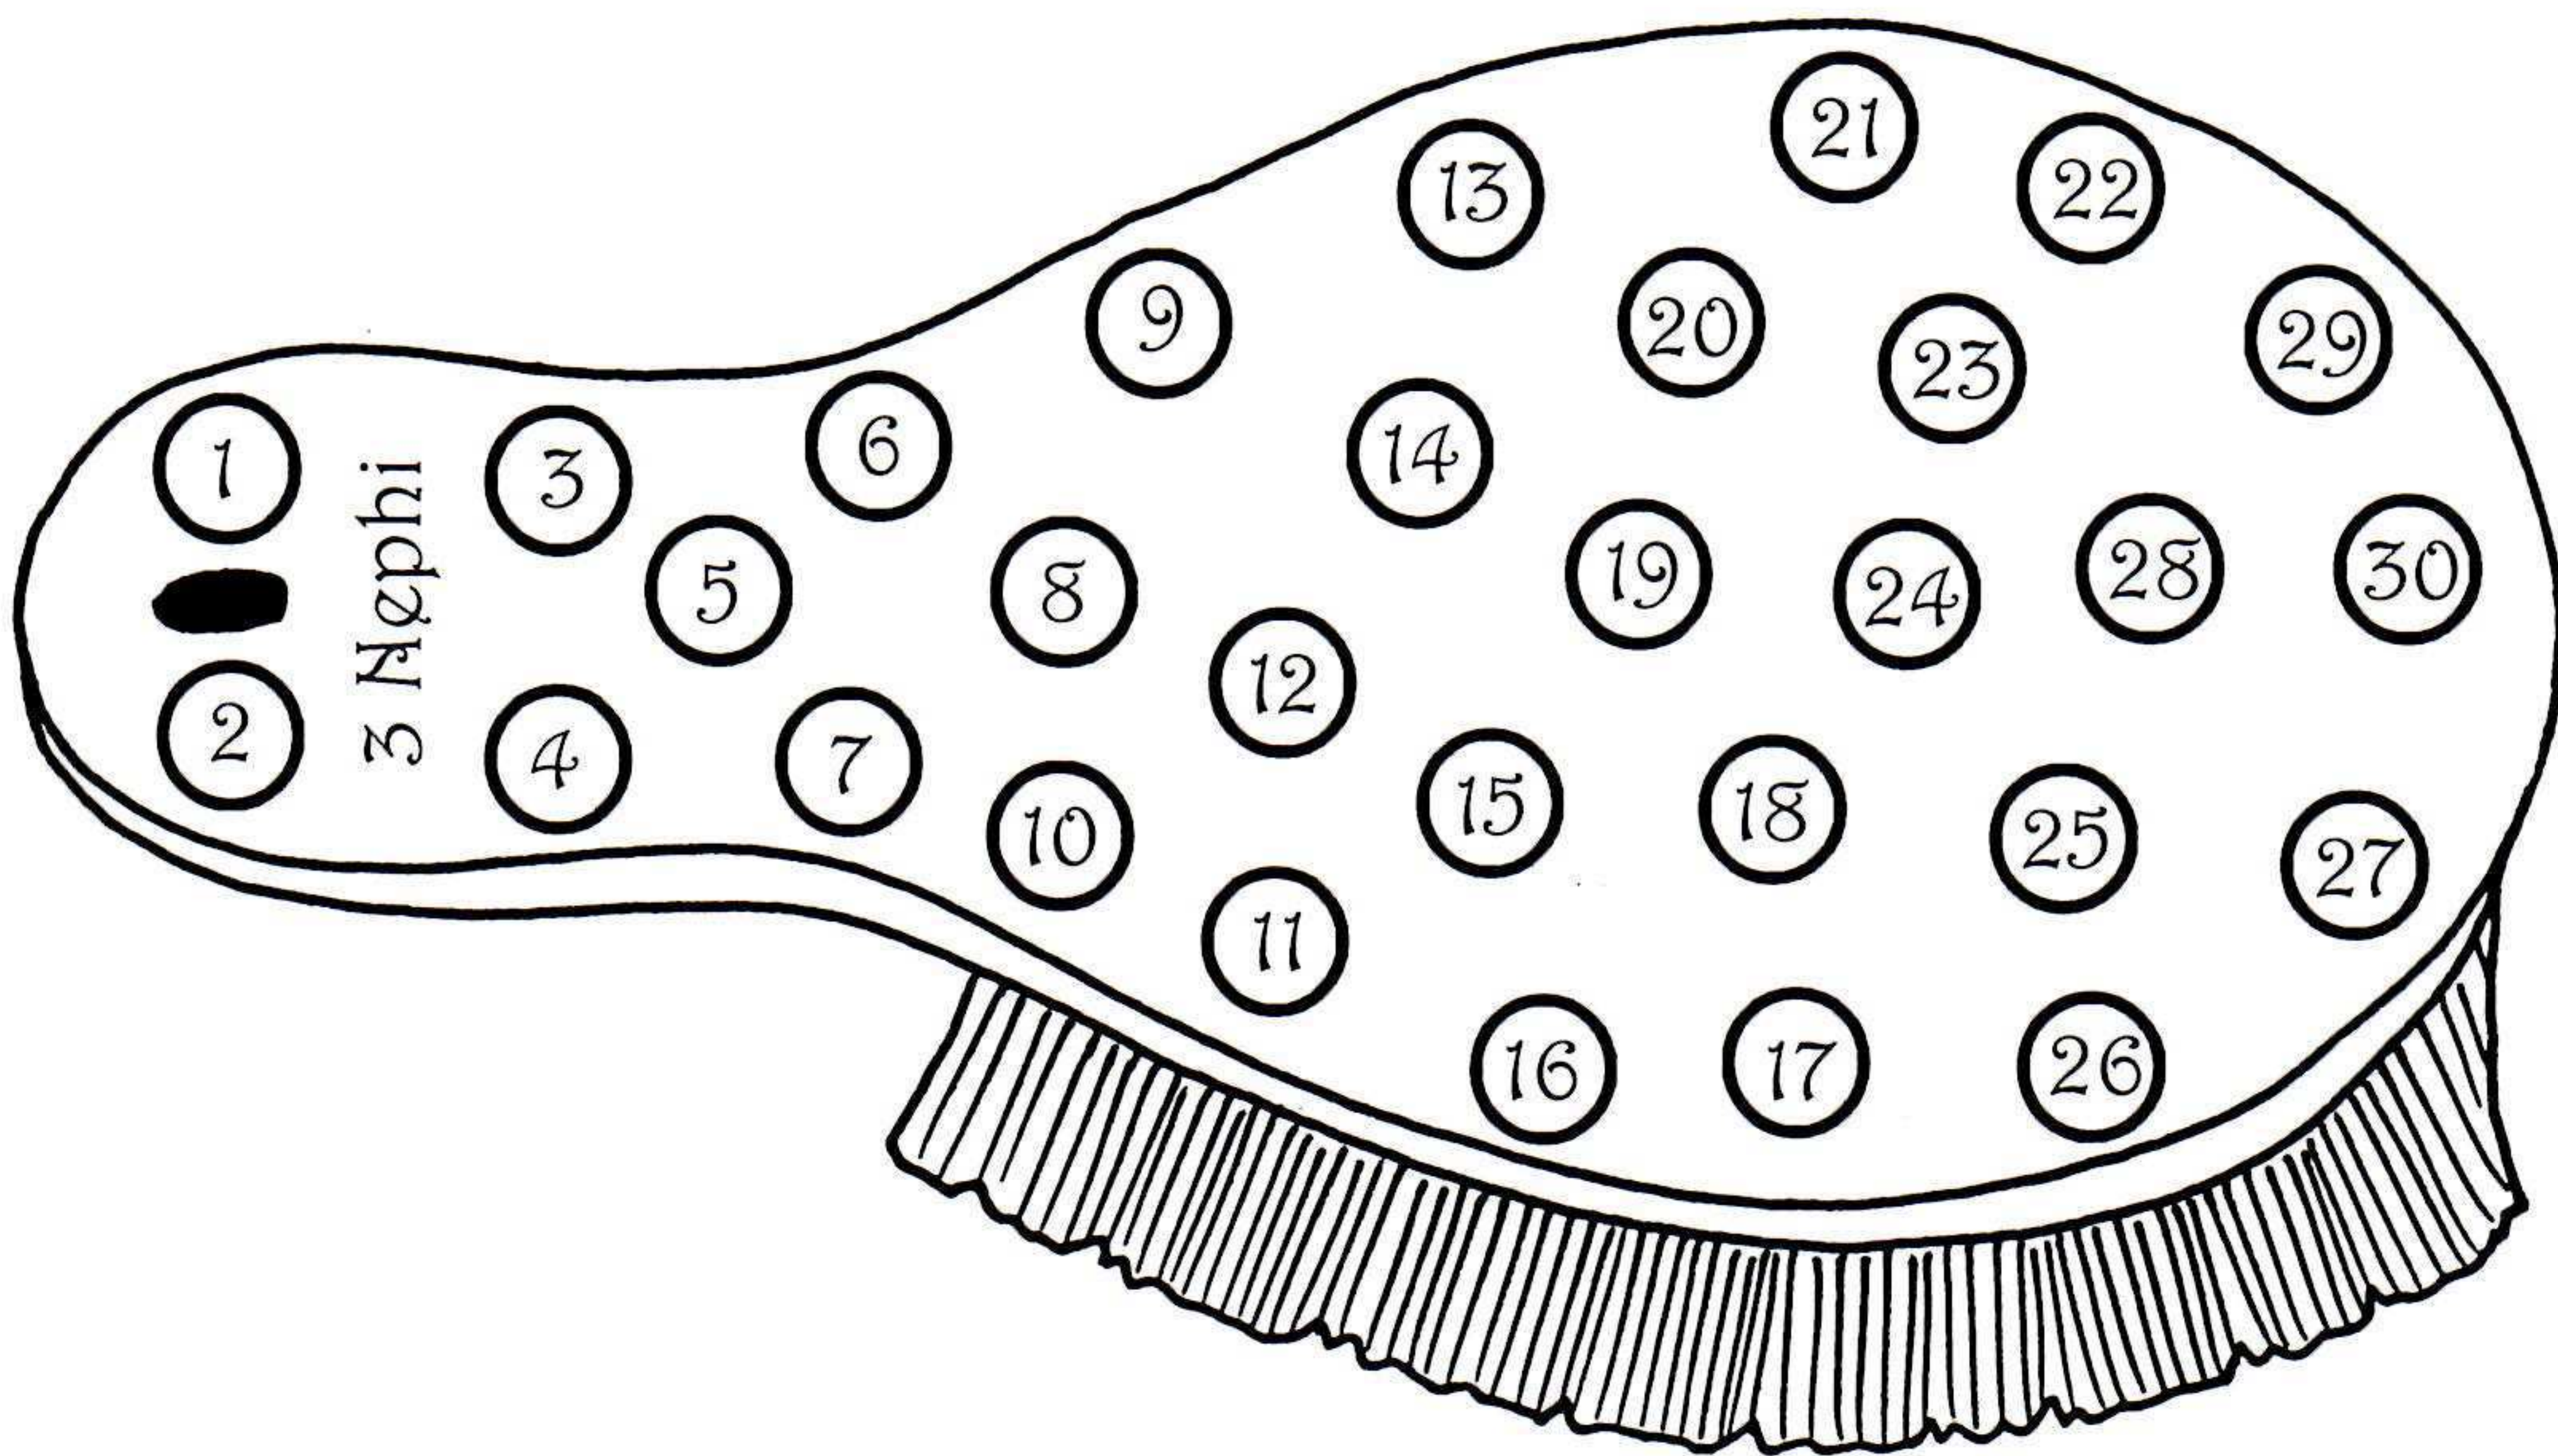

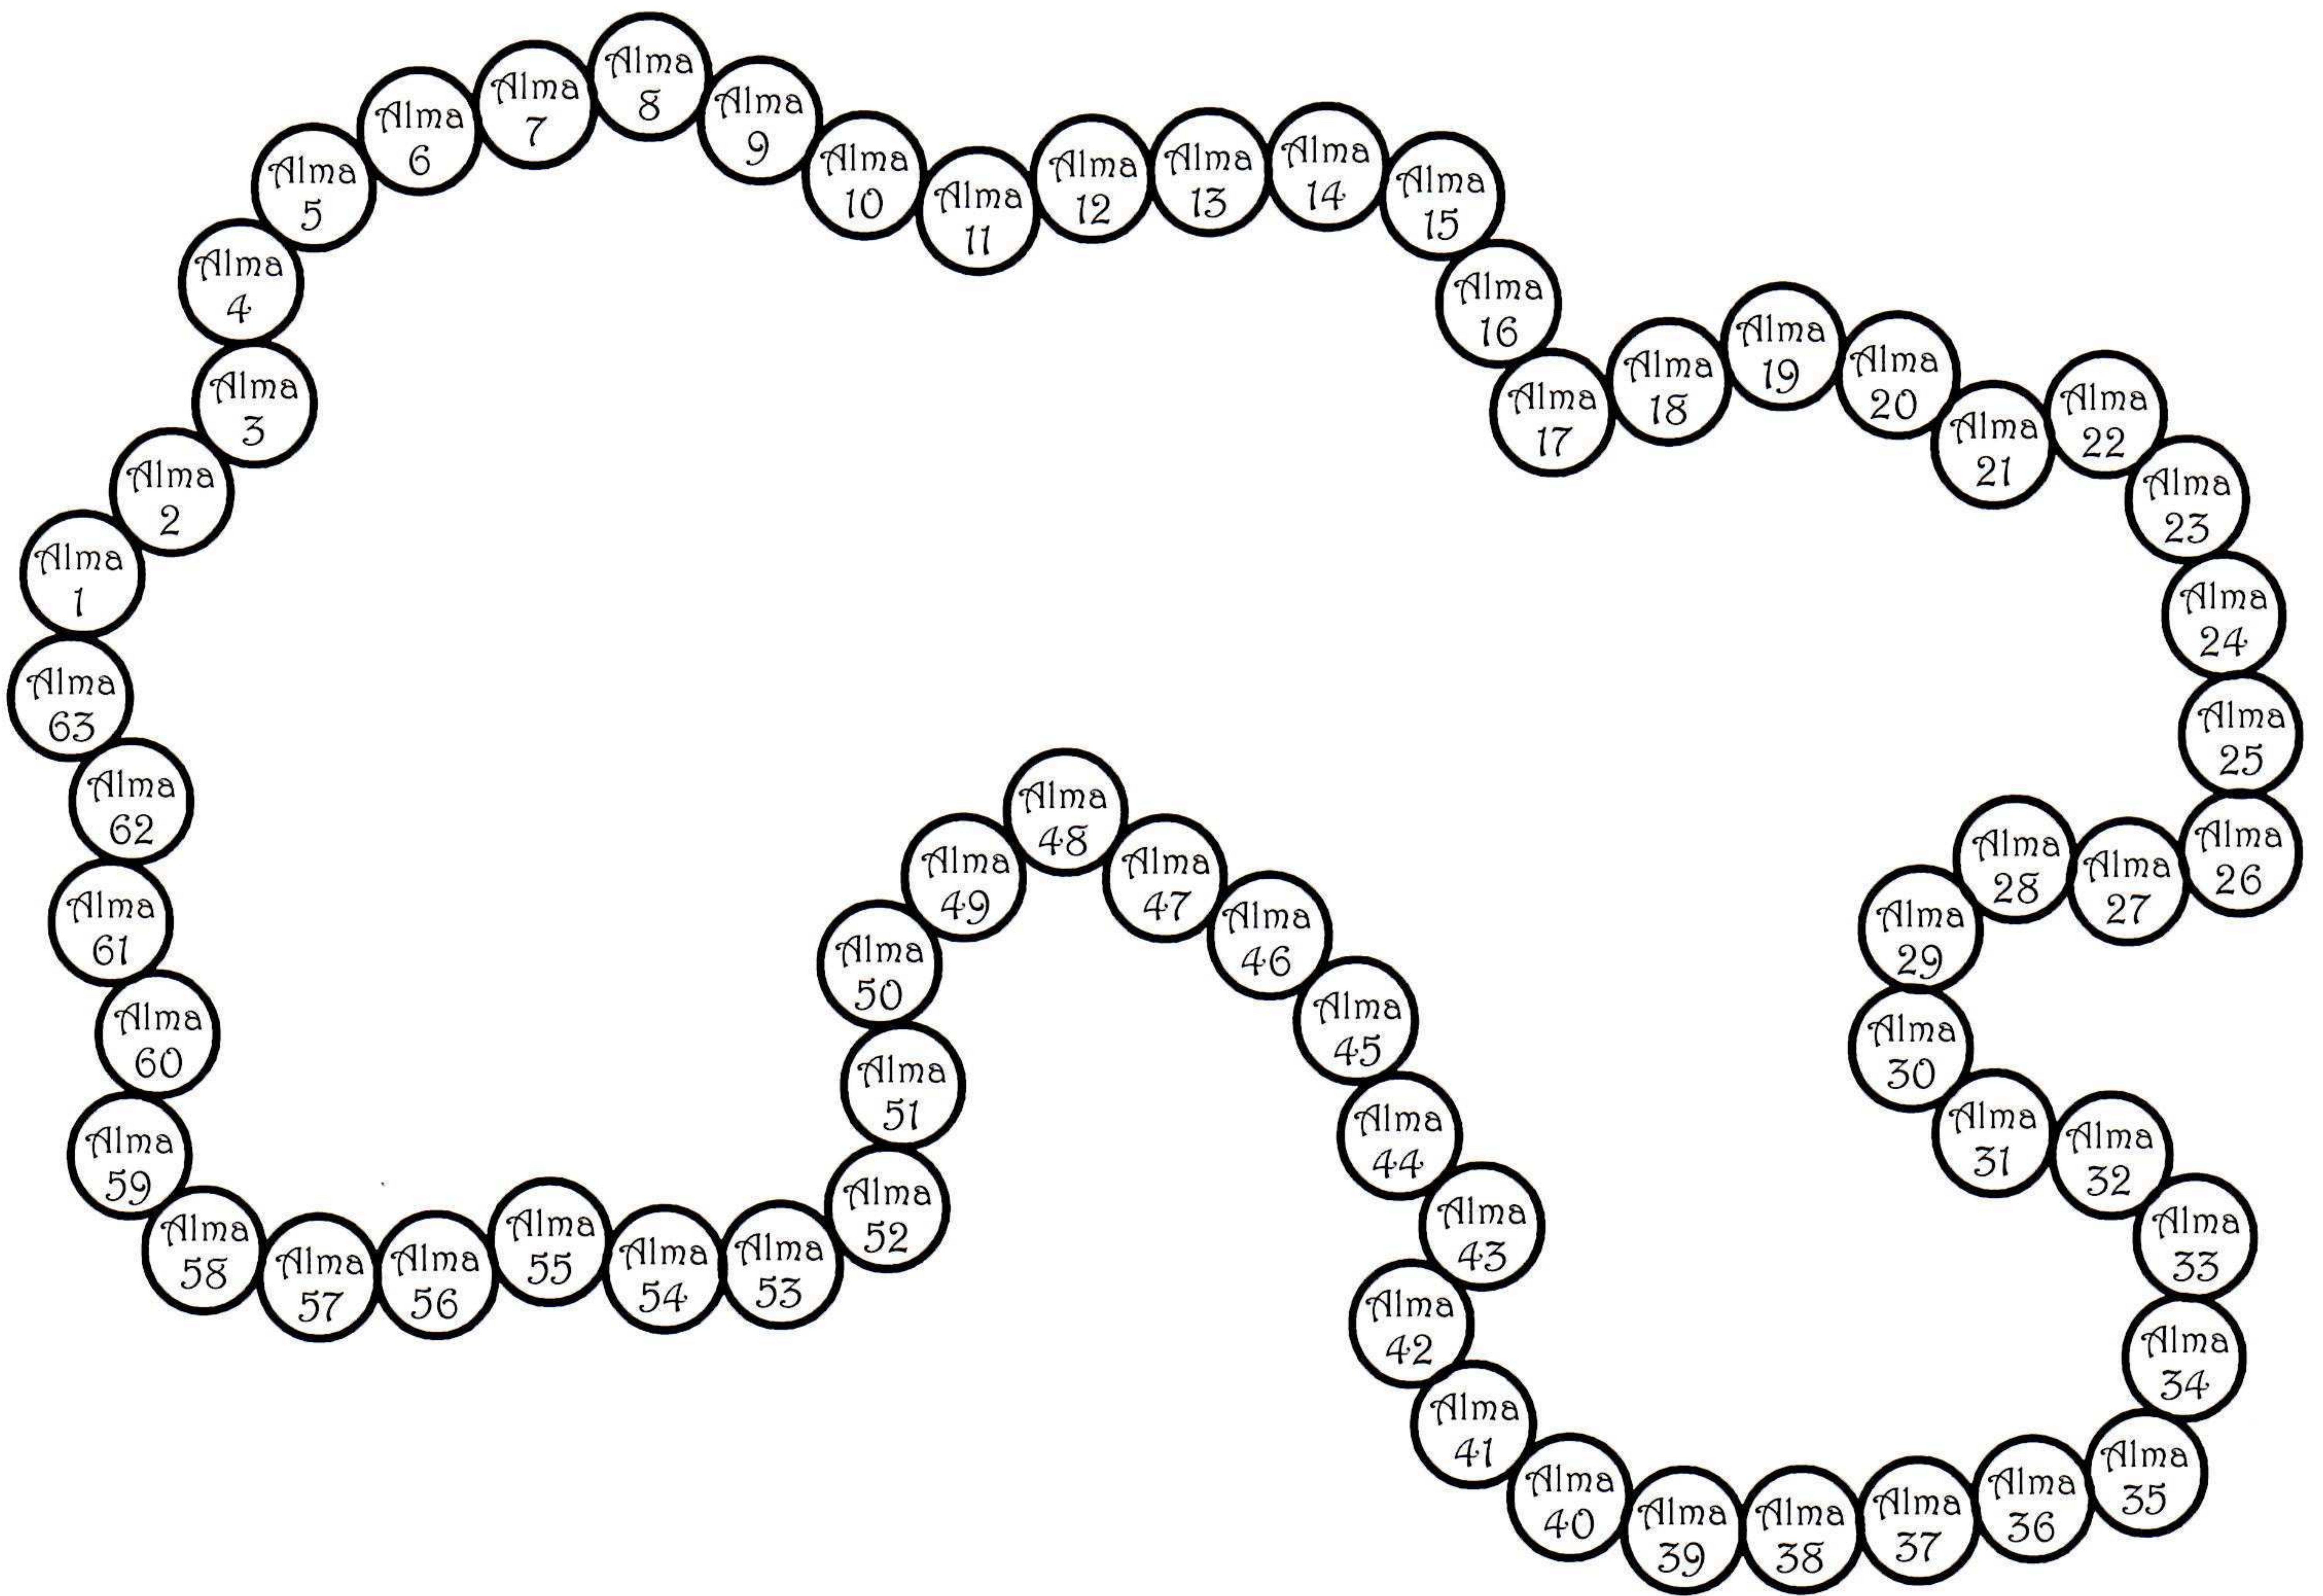

Begin by cutting out the purse, pearl necklace and each cosmetic item. Have the child color the purse, being sure to leave the bead handle and each of the hearts and flowers white. Do not color the pearl necklace. Have the child continue to color each cosmetic item, being sure to leave the chapter spaces white. Write the child's name on the purse where desired. The upper portion of the compact (with seven sections) is the mirror. When the child has read one or more of these chapters, they should color it gray. Once all seven chapters have been read, it will look like a mirror. Once all chapters and books of the compact have been completed the compact can be folded on the dotted line. As the child reads each chapter, of each book, have the child color in the designated chapter section. As each book (purse, necklace or cosmetic) is finished, adhere it to a wall or door, being sure to keep them in the order of the books of The Book of Mormon or adhere a plastic baggie to the back of the purse to insert each finished item. When you have completed reading each book of The Book of Mormon, the child will have a purse, necklace and cosmetic items for the purse.
