*Article of Faith Memorization Sheet:* Color graphics with markers, colored pencils, chalks, etc. Use this sheet to help memorize Article of Faith #11. It will be especially helpful for small children.

*Game - "All Around The World": Teach family members that no matter where you go in the world, the Gospel is constant. It never changes.*

*Game Setup -* Color game board sheets (two) as desired. Place the game board sheets side by side so that the "All Around The World" game logo is on the left hand side. Tape the two sheets together on the back of the sheets and laminate the game board. Color, laminate and cut out each "Airplane" game piece, being sure to color each plane a different color. There are three sheets of game cards. Laminate if desired and cut out each card. You will need a "die" for the game.

*Object -* To be the first team to collect ten game cards. To make the game shorter, decrease the amount to five game cards. To make the game longer, increase the amount to fifteen game cards.

*Play -* Divide the family in two or three teams. Each team chooses an "Airplane" game piece and places it on one of the eight "Country" game spaces (Egypt, Japan, Africa, Holland, England, France, Mexico or America). Each team must choose a "Country" game space that is not already occupied to begin the game. However, once the game has started, a space can be occupied by more than one team at a time. Divide the cards into three piles (Trivia, Draw and Miscellaneous) placing the piles face down on the playing surface. Choose which team will go first. That team begins by rolling the "die." They move their game piece clockwise around the game board the number of spaces indicated on the "die." The team will either land on a "Trivia", "Draw", "Miscellaneous", "Article of Faith" or "Country" space. If a team lands on a "Trivia", "Draw" or "Miscellaneous" space they draw the corresponding card from the draw pile. An opposing team reads the card. If a "Draw" card is drawn, the team must choose a team member that will draw, and the card is then shown to that team member. Each team is given one minute per card. If the team successfully answers or completes the card, they win the card and their turn continues. If a team lands on the "Recite or read an Article of Faith" space, that team must choose an Article of Faith to recite or read. Try and work on the Articles that you are currently trying to memorize. Once the team recites or reads the Article, their turn ends and rotates to the next team. If a team lands on a "Country" space, they can choose which of the three categories (Trivia, Draw or Miscellaneous) they want to answer a question for. If a team does not answer the card correctly in the one minute time allotment, their turn ends and rotates to the next team. The card is placed at the bottom of it's corresponding pile. The game ends once a team has collected the necessary amount of game cards.

Each month, a new "Article of Faith" packet will be released. You can then combine your game cards to make a larger game.

# Article of Faith #11

***"We claim the privilege of worshipping Almighty God according to the dictates of our own conscience, and allow all men the same privilege, let them worship how, where, or what they may."***

As members of the Church of Jesus Christ of Latter-day Saints, we feel it is an honor, or privilege to be able to worship our Heavenly Father. It is a great blessing for most of us to live in countries which also allow this privilege.

To worship someone means to pay our deepest respect and honor to. We hold God, our Heavenly Father, Jesus Christ, the Lord and Savior and the Holy Ghost in the highest regard. They are special, sacred beings and should always be spoken of with great care.

We must not ever take their names in vain, meaning that we must not use swear words or vulgarities of any kind when referring to them. They are holy and must be treated so.

When we go to church, we are showing our respect and love for our Heavenly Father. That is a form of worshipping Him. We can also worship Him by singing the hymns, praying to Him, speaking of Him carefully and being reverent during the sacrament.

Worshipping God "according to the dictates of our own conscience," means that we are free to worship in the way our conscience tells us. Every person was born with what we call a "conscience." Another way of describing our conscience is "The light of Christ."

The Holy Ghost guides our consciences only if we are striving to be good people. Then we will know what is right and what is wrong. We will know when we are being good or bad.

Everyone's conscience is new and bright when they are born and remains that way until they reach the age of accountability, which is the age of eight years old. Then we must decide for ourselves what is right and wrong by the direction of our conscience and the Holy Ghost. That is why we are confirmed when we are baptized after we turn eight years of age.

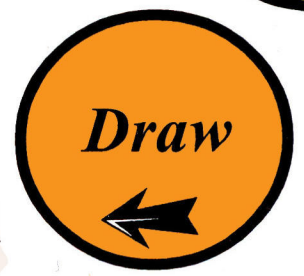

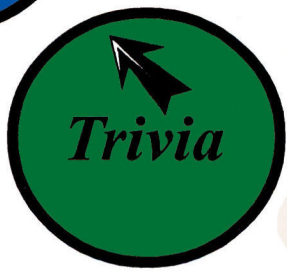

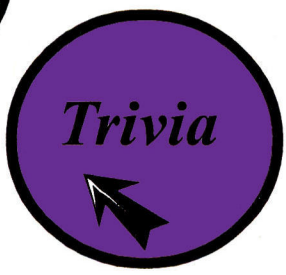

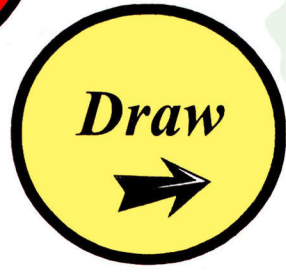

Priesthood holders lay their hands upon our heads and tell us to "receive" the gift of the Holy Ghost. It is a very important gift and the Holy Ghost will guide our consciences if we will let Him.

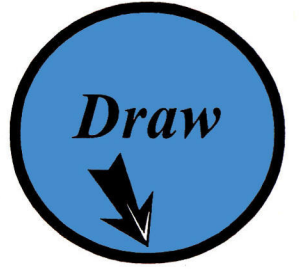

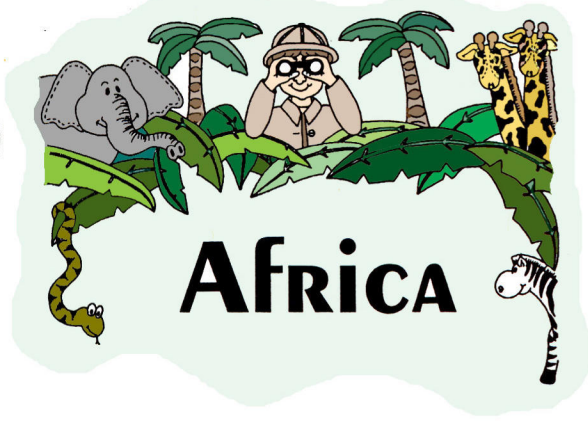

It is also very important to note that in this article of faith it tells us to "allow all men the same privilege of worshipping how, where, and what they may." This means that we must be tolerant of others who belong to a different religion than our own. We must not be critical of them or make them feel that we are superior to them. They have the right to belong to the church of their choice and worship how they may.

To be able to worship how we want is such a blessing. We must never take this blessing for granted for it is a special blessing. Many noble men have fought countless wars to ensure that we are able to worship how, where, and what we may. We owe them a great debt of gratitude. We can show that gratitude by continually worshipping our Heavenly Father.

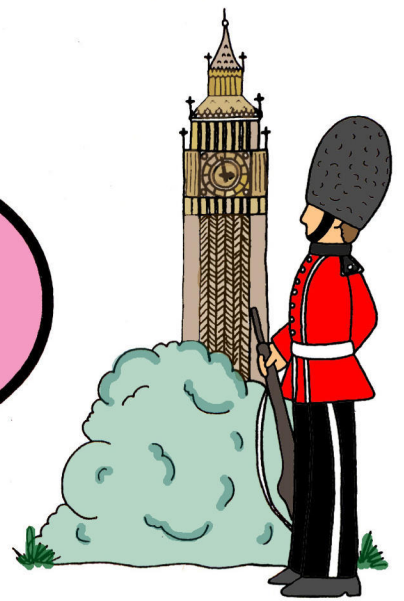

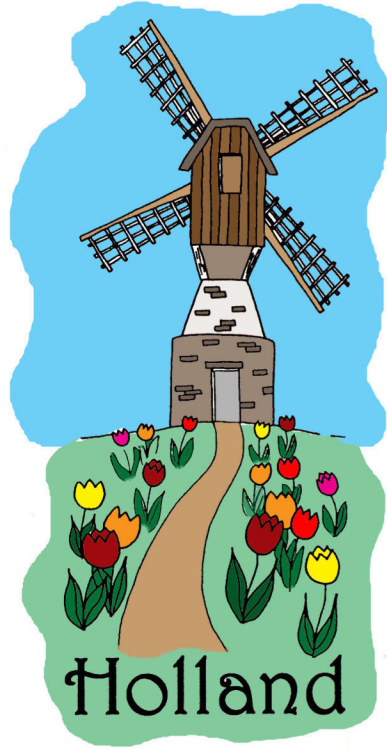

## **DISCUSSION**

- Why is it so important that we can worship as we please?
- Why is it important that we also respect the rights of others to worship as they please?

*All around the world,  
There's no need to search.  
The truth lies before us,  
As members of the Church!*

# The Articles of Faith

God the Father,  
the Holy Ghost,  
and the Son;  
all belong to Article one.

Number seven lists things  
we believe through and through,  
Like prophecy and revelation  
that we know to be true.

Men will be punished  
for wrongs that they do  
Not for Adam's transgression  
Says Article number two.

The Book of Mormon  
is the word of God  
We learn in Article eight  
If translated correctly  
The Bible becomes the perfect mate.

The Atonement of Christ  
is in Article three.  
A way to be saved  
for you and for me.

In Article nine  
God will show,  
He'll reveal the things  
we need to know.

The first principles and ordinances  
are in number four  
Faith, Repentance,  
Baptism & More

There are many points  
That Article ten describes  
One being the gathering  
of the ten tribes.

In Article five  
God will call the man  
By prophecy, revelation  
and by the laying on of hands.

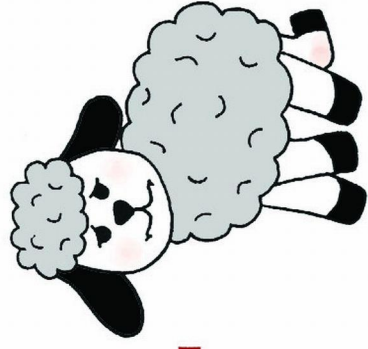

Zion will be built  
We know this is true  
Christ will reign  
And the earth will renew.

If you read Article six  
Surely it will show  
The Church is organized  
As it was long ago.

We claim the privilege  
In Article eleven  
According to our conscience  
To worship Father in Heaven
